[18:30]<StarNinja99> "WELCOME TO INSANITY"
[18:30]<StarNinja99> The ATS is now in session
[18:30]* TheGayDesperado   bangs a gavel on Nina's head.
[18:31]<Darth_tom> Hooray.
[18:31]<MasterGump> Hello, and I bid you all good
BWAHAHAHAHAAHAHAHAHAHAHAHAHAHAAHAH!
[18:31]<Darth_tom> Bid me complementary biscuits, please.

[18:31]<TheGayDesperado> I see your
BWAHAHAHAHAAHAHAHAHAHAHAHAHAHAAHAH! and add a
MWUHAHAHAHAHAHAHA!
[18:31]<StarNinja99>Ok, lets begin
[18:31]<MasterGump> First pencil trick, please!
[18:31]<StarNinja99>Madclaw has proposed that we make this site a comic humor
wiki
[18:32]* Darth_tom pounds Madclaw's chest.
[18:32]<Madclaw> :)
[18:32]<TheGayDesperado> Comic Book Humor Wiki is better than Superhero
Humor Wiki.
[18:32]<StarNinja99> I will now turn it over to MADCLAW for explanation, thought
it is apparent that this won't take long
[18:32]<TheGayDesperado> That leaves us open to parody things like the old Disney
comics.
[18:32]<StarNinja99>:/
[18:32]<StarNinja99> Not sure if thats good or bad
[18:32]<Madclaw> we need to become the general comic humor wiki M'kay
[18:33]<Madclaw> it's good M'kay
[18:33]* MasterGump agrees.
[18:33]* Darth_tom agrees.
[18:33]<TheGayDesperado> Uncle Scrooge had a fling with Hulk.
[18:33]<StarNinja99>The Manga makes me deathly sick
[18:33]<TheGayDesperado> What's not to love about the proposal?
[18:33]<Darth_tom> I hardly call a slapping fest like that a "fling".
[18:33]* StarNinja99 agrees
[18:33]<MasterGump> We need some aggressive expansion, and this gives us plenty.
[18:33]<MasterGump> HULK MAKE LOVE TO DUCK.
[18:33]<StarNinja99>Indeed
[18:33]<StarNinja99> lol
[18:33]<MasterGump> HULK THINK THAT WRONG.
[18:33]<Darth_tom> Aggressive expansion?
[18:33]<StarNinja99> Ok, so it is unanimous
[18:33]<Darth_tom> But we're a small suit.
[18:33]<MasterGump> ME IS SMART.
[18:34]<Darth_tom> What we want is...
[18:34]<Darth_tom> Tryouts!
[18:34]<Darth_tom> Make it quick.
[18:34]=-=   YOU (Darth_tom) have been booted from #Arkhampedia by
StarNinja99 (Gah, I've been through to much of that this week)
[18:34]-->| YOU (Darth_tom) have joined #Arkhampedia

[18:34]<MasterGump> That comes later in here.
[18:34]<StarNinja99> ok, moving on
[18:34]<StarNinja99> Gumpmeister, I beleive you have the floor
[18:34]<MasterGump> Alright...
[18:35]<MasterGump> "I think it would be of great benefit if we were to open forums on the "serious" comic wikis, as people with more expansive knowledge of the universes we aim to parody would be most welcome."
[18:35]<TheGayDesperado> I agree.
[18:35]<Darth_tom> I agree.
[18:35]<TheGayDesperado> I let the Batman Wiki know about Arkham a while ago. They never responded.
[18:35]<MasterGump> Basically, we open forums explaining our purpose and what we want on all the "serious" comic wikis.
[18:35]<StarNinja99> Such as Marvel database, DC database, and Dark Horse Database?
[18:35]<MasterGump> Yeah.
[18:36]<TheGayDesperado> Probably too busy fucking their anon kin up the ass while working on the Batman 3 page.
[18:36]<Darth_tom> In the beginning there was the word, and the word was Arkham and Arkham was in the word.
[18:36]<Darth_tom> And the word was taken to the far corners of space and time.
[18:36]<Darth_tom> Even reaching the ears of those at the "serious" comic wikis.
[18:36]<Darth_tom> And so, through this, enlightenment was and shalt forever be spread.
[18:36]<MasterGump> I don't recall John speaking of "space and time"...
[18:36]<StarNinja99> I think it may be a good idea, but I doubt they'll respond
[18:36]<MasterGump> A bit abstract for a Biblical writer, no? :-P
[18:36]<Darth_tom> No.
[18:36]<MasterGump> Still, we must try.
[18:36]<Darth_tom> This is serious business!
[18:37]=-=   YOU (Darth_tom) have been booted from #Arkhampedia by StarNinja99 (Serious things make my head hurt)

[18:37]<Darth_tom> Dammit.
[18:37]<Darth_tom> Third time's the charm. :P
[18:37]<StarNinja99> Ok, so we will send messages to the database community?
[18:37]<StarNinja99> Who will do this?
[18:37]<TheGayDesperado> I'll do a couple.
[18:37]<MasterGump> I volunteer.
[18:37]<Darth_tom> Jesus.
[18:37]<MasterGump> Ok.
[18:37]<TheGayDesperado> Or Gump.
[18:37]<Darth_tom> Or perhaps Gump.
[18:38]<StarNinja99> ok
[18:38]<Madclaw> Gump
[18:38]<TheGayDesperado> Whatever works best.
[18:38]<StarNinja99> Gump it is
[18:38]<TheGayDesperado> Four votes for Gump.
[18:38]<StarNinja99> Next topic

[18:38]<MasterGump> SG1: there are a lot, so we can split it.
[18:38]<TheGayDesperado> But they all voted for you.
[18:38]<TheGayDesperado> Okay, next topic...
[18:38]<TheGayDesperado> Nina: Before we begin, I'd like to let you know I can hold my breath for two and a half minutes.
[18:38]<Darth_tom> Shall we test that?
[18:39]<Darth_tom> Someone chain up the Geek.
[18:39]<TheGayDesperado> Just getting that out there...
[18:39]<StarNinja99> We know of SMSM, our initials. We are still not sure who comes first in the initials, but we need to decide. The fate of the world resides on it. So, I propose a contest! The combatants face off in a battle of whits. The winner will be established when someone can't hold there breath anymore. It will not be held underwater, however. It will be held in a bowl of alcohol with the yeast still...
[18:39]<StarNinja99>...inside. Make sure it doesn't way you down
[18:39]<Darth_tom> I'll prepare the shark infested fit.
[18:39]<Darth_tom> *pit

[18:39]<MasterGump> Ill tempered.
[18:39]<TheGayDesperado> I can also go for 7 and a half minutes without blinking.
[18:39]<MasterGump> We don't have freakin' sharks with laser beams.
[18:39]<TheGayDesperado> Probably can't do both at the same time, though.
[18:40]<StarNinja99> Ok, this will be dealt with in a non existenet channel between admins
[18:40]<MasterGump> Are you sure?
[18:40]<Darth_tom> MasterGump: Ahmedinajad? :P

[18:40]<StarNinja99> Of course not
[18:40]<StarNinja99> Moving on to a more serious not
[18:40]<StarNinja99> It is my belief that we should get our own versions of the Darth's AOE up and running. We have enough articles that we could make maybe one or two. Just a thought
[18:40]<TheGayDesperado> Yes.
[18:41]<MasterGump> Yes.
[18:41]<StarNinja99> SG1 and I spoke of this
[18:41]<TheGayDesperado> Although I think someone should take care of the main page first.
[18:41]<MasterGump> Agreed.
[18:41]<TheGayDesperado> The current main page is just an embarassment.
[18:41]<StarNinja99>AC, or Ace cards, will be good articles, and FI, Featured inmates, will be featured articles
[18:41]<TheGayDesperado> Strongly agreed.
[18:41]<MasterGump> Ok.
[18:41]<Darth_tom> Agreed.
[18:41]<MasterGump> So we have an Ace in the hole.
[18:42]<Darth_tom> (Strongly)
[18:42]<StarNinja99>Though I agree that the Main page is more important ATM
[18:42]<Madclaw> yes

[18:42]<Darth_tom> Not my definition.
[18:42]* StarNinja99 steps so far back he falls out of the channel
[18:42]<TheGayDesperado> If you're lucky, it'll just end up being a Darthipedia rip-off.
[18:43]<MasterGump> SG1: It can be a filler page for the moment.
[18:43]<StarNinja99>Alright
[18:43]<MasterGump> I vote for you too.
[18:43]<StarNinja99>Anyone else volunteer?
[18:43]<TheGayDesperado> Meh, I'll do it I guess.
[18:43]<Darth_tom> Actually.
[18:43]<StarNinja99>ok

[18:43]<TheGayDesperado> True.
